

JACK BERMINGHAM
Business Unit Director for
Oshkosh Airport Products

Jack Bermingham is the Business Unit Director for Oshkosh Airport Products, a division of Pierce Manufacturing Inc., a subsidiary of Oshkosh Corporation. Prior to joining Oshkosh Airport Products, Jack spent four years supporting Oshkosh Corporation in engineering and sales management positions covering the Southeast Asia and Australia/Oceania regions. Transitioning to Oshkosh Airport Products in 2016, Jack has had the opportunity to be involved in a range of capacities, including regional sales and product management for aircraft rescue and firefighting (ARFF) vehicles, including the company's flagship product, the Oshkosh Striker.

With a passion for platform engineering, product management, and customer support, Jack and his team work hand in hand with other functional areas across the Vocational segment and Oshkosh Corporation to deliver high quality vehicles for customers.
