

JIM JOHNSON

Executive Vice President of Oshkosh Corporation and President, Fire and Emergency

Jim Johnson is the Executive Vice President of Oshkosh Corporation and President, Fire & Emergency. He is responsible for the overall operations of Oshkosh's Fire & Emergency business segment, consisting of the Pierce®, Oshkosh® Airport Products and Frontline™ brands.

Jim joined Oshkosh Corporation in 2007, after holding positions in sales and marketing in the recreational vehicle industry. He is an attorney who spent several years practicing law in Indianapolis, Indiana focusing on commercial litigation.

He holds a Bachelor of Science degree in Business from Indiana University, Bloomington and a Juris Doctorate degree from Indiana University, Indianapolis.

In addition to serving on the boards of local community organizations, Jim enjoys serving as President of the local high school hockey booster club.
